TO: Sherry Arroyo Manager, Environmental Management Systems – IAC	FROM: Deb Aja	DATE 2-5-08
		TIME Approximately 2:30 p.m.
SUBJECT Certified Letter requesting permitting information.		
SUMMARY OF COMMUNICATION, CONCLUSIONS, ACTIONS TAKEN OR REQUIRED I left a message on Ms. Arroyo's voicemail that I received her letter dated January 29, 2008. In response to her request for permitting instructions, I informed her that permitting staff will be sending a guidance letter that outlines what they are required to do to transfer the permit from Collins & Aikman into IAC's name and any other permitting instructions. I also reminded Ms. Arroyo that in Mr. Wagner's conversations with her in December 2007, he gave her contact information for staff in Raleigh to provide guidance on what would be required for a compliance history and financial assurance. I instructed her to call me or Mr. Wagner with any questions.
